Precautions at the time of custody

1. When you leave your child at the childcare venue, if the childcare staff confirms that a child is not feeling well, has a contagious disease or other symptoms, or if the childcare staff deems the childcare service to be inappropriate, they may refuse to accept the child.
(Children may not be accepted if their temperature is 37.6°C or higher.)
2. Please be sure to inform us in advance of your child's physical condition and any allergies.
Depending on the constitution or type of allergy, we may not be able to provide childcare.
3. The childcare staff may check the condition of the child's body and clothes when the child is placed in the care.

Precautions for pick-up

1. When picking up a child, please have the same parent who dropped the child off.
2. If you would like a different person to pick up your child from the time you dropped the child off, please let us know in advance at the reception desk.
3. If more than 20 minutes have passed since the scheduled pick-up time, we may call you.

Accidents, Illnesses, etc. and Liability

1. We will not provide any medical care while your child is in our childcare venue.
In the event of illness or injury, we may notify the parent.
2. We will not be held any responsibility for any accidents that may occur while your child with us, or if your physical condition deteriorates, unless it is clearly due to our negligence.
3. We do not take any responsibility for poor physical condition due to allergies that was not reported by the parent.
In addition, we will take the latest precautions regarding allergies that have been reported in advance, but we will not be responsible if anaphylactic shock occurs.
